Dear Mitch:

Thank you so much for your support and for encouraging others to also contribute to my re-election. I very much appreciate the dinner and conversation at Citronella. Please continue to stay involved as we launch our first race for re-election in 2004. Your input and commitment are invaluable to me and vital to our success.

Another Democrat just announced against me, a retired CEO and Founder, who has recently sold her bank for over \$40 million. Please continue to engage your colleagues regarding assisting with our effort and joining the Friends of Katherine Harris team. Facing an election every two years is an enormous task, but with the help and encouragement of friends like you, we can ensure a victory in November.

Your generosity is touching and very much appreciated! I shall always remain grateful.

Sincerely,

Katherine
